

## Clue #6

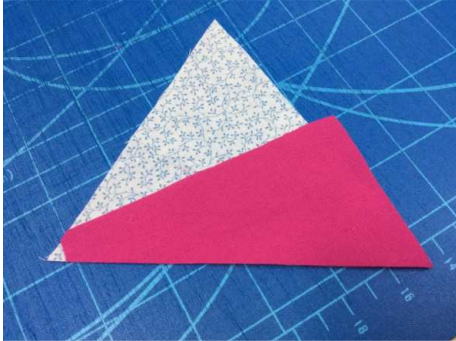

Make 16 (68) Triangle in a square blocks measuring 3 1/2" unfinished

Use Tri Recs ruler, or templates, or paper piece

Use neutrals for base triangles, and scrappy colors/prints for the sides

Start with 3 1/2" strips

Be sure to cut the notch on the half rectangle pieces. You will use it to line up the half rectangle to the base triangle.

Assemble the 54-40 or Fight Block

Now we get to assemble the center of the quilt top

Be sure to arrange the 4-patches as shown, so that the scrappy prints are on the corners.

Your block should measure 9 1/2" unfinished
