~ JUST A NOTE ~

Zoom meetings have been a blessing that kept us connected during this pandemic. Those of us who joined the meetings were able to enjoy lectures, show-n-tell and comradery at a time when life tried to keep us apart. One of my favorite meetings was when Stephanie Hackney from Hobbs Batting joined us for our May zoom meeting. Her lecture about the different battings offered by Hobbs gave many of us a new appreciation for some types of battings that we have avoided in the past. Every batting type has an appropriate place in quilting land. Check out the chart on page 2 that she provided for us.

We still have Midi Bag Quiltsmart interfacing panels. They will be available during the meeting. Please remember that we are sharing the instruction sheets (DO NOT MAKE COPIES!). If you are finished with yours, please return so the next member may use it. ~~~ Ann and Sherry

WHAT'S HAPPENING TONIGHT?

Nancy's Market

In honor of our late friend Nancy Moneyhun, Evening Star members will have the opportunity to purchase books, patterns, rulers, lots of notions, 1,2,and 3 yard cuts of Kona solids \$5/yard! Cross stitch items and patterns too.

We will tithe to the church (they let us store all our stuff there!) and divide the rest between 3 local charities. 100% will be given away. Help us be generous!! We would also love to hear a memory or story about Nancy!

Sew what happened last month?

WELCOME BACK EVENING STAR QUILT GUILD MEMBERS!!!! It has been a long time since we have been able to meet in person. President Sherry McConnell welcomed 53 members and 5 guests to the 6/21/2021 meeting. Linda Lupton said a blessing before we enjoyed our summer supper. Due to COVID issues, we had individual chicken salad sandwiches from The Cabbage Rose, bags of chips and baked pies.

We had Quiltsmart panels for Midi bags donated by Maddie from QuiltSmart. She also sent a flag kit which was a door prize, won by Patsy Bemish. Members were able to pick up the midi bag interfacing before leaving the meeting. Six members joined us at 7:00 via Zoom. Sherry thanked the volunteers for the evening (Vanna and sign in table, Steph for help with decorating and with food prep. She explained that the room at East Side Church of God was not available for us (using for children's church). We will be meeting at the 1st Presbyterian Church from now on.

Treasurer Kay Judt reported a balance of \$\$\$\$ in the treasury. Ann Fisher was thanked for her newsletter. Sherry asked for a volunteer or two to be a Thinking of You person to send out cards for condolences, get well cards, etc. It is a good way to let members know we are thinking of them. (continued on pg. 2)

Sew what happened last month? (continued from page 1)

Stephanie Crabtree reported that there were 5 people at the prior Cancer quilt sew day. She asked for members to take kits home to finish, tops to quilt or both. After the meeting 6 members took 6 kits home and 4 tops to quilt. Thank you!

Sherry gave us information on Celebration in July at the Quilters Hall of Fame, Marion. There are in person and virtual classes as well as vendors. The Hollis Chatalaine exhibit is at the House and will be there until July 24th.

Ann Fisher demonstrated the Drunkard's Path quilt a long and handed out instructions and a template. It looks like fun. We are to bring next month our progress.

Show and Tell was wonderful with 25 people sharing their projects. Betty Lloyd won the drawing. Show and Tell drawings from the last few months via Zoom were handed out as well.

Next month there will be a Make and Take It before the meeting and Nancy's Market will be set up before the meeting. Nancy Moneyhun had a lot of quilting and other craft items that Quilting Matilda purchased after her death. Items will be for sale with all moneys given to 3 local charities and a tithes to the Presbyterian Church. Bring your totes and money. ☺

Next meeting will be July 19, 2021. 5:30 for the market and 6:30 for the meeting.

Respectfully submitted, Stephanie Crabtree, Secretary
