** Preparing the Pieces and Sewing the Block **

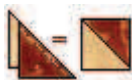

Let's mark and then cut the 2-1/2"x 15" Color 1 strip first, into six 2-1/2" squares...then mark and cut the Color 2 2-1/2" x 5" strip into two 2-1/2" squares...

Next, mark and cut all the 2-7/8" strips into 2-7/8" squares. Colors 2,3 and 4 will give you six 2-7/8" squares each. Color 1 will give you ten...

Then further cut each of these 2-7/8" squares once on the diagonals...

You will be sewing your small triangles made in the previous step, using the standard 1/4" seams...and always pressing the seam allowances towards the darker fabrics...

..Making the number of combination half squares that you see in the illustration on the left. Trim each to 2-1/2" if needed...

...on to Page 2!
