

If you are coming from Anderson come out 9 North towards Alexandria. Just past Gaithers at the stop light it will say 11th Street or 1000 North (this is the road the Alex. high school is on). You will turn left (west) and go 2 miles until it T's and you have to turn. Turn right go a very short distance and you will turn left on 1025 North. I am the 2nd house on the left. It is a stone house with a stone fence across the front. Turn into the driveway and go on past the pole barn. Park in the grass behind the pole barn. Someone will be out back to direct you to the building we will be sewing in.

You can also follow Madison Avenue North to Road 1000 North, turn left, go 1 mile to T and continue with above directions.

You can also follow Raible Avenue north until you come to Road 1025 N., turn left and go to 2nd house on the left.
