## *Just a Note*

*"How is your garden doing?" That is a question that we hear a lot in June! We got our in a little early this year which is unusual for us, but the pleasure of seeing things grow is just too exciting to miss..so each year we tend the soil, plant the seeds and plants and sometimes we buy a container tomato plant that is already blooming! Okay, so that may be cheating, but we call it a plant "rescue"! So many of the quilt patterns that we love are designed using our gardens and fields as inspiration. When you think of Straight Furrows you think of long rows of Indiana corn growing so tall. The best example of using the inspiration of our gardens are the amazing applique floral quilts! While patterns are available in abundance you can create your own design from your own garden and the sky is the limit on what you may decide to do. Marie Webster simply walked out to her garden, picked flowers and leaves and drew around those to make the templates and adding the incredible details of those flowers was able to create one of a kind designs that still amaze and delight! Be a Marie! Take pictures, sketch, try something small and then take a trip to the Indianapolis Museum of Art to see the 25 one of a kind designs created by a woman who simply walked into her garden!*

## Sew What Happened Last Month....?

Summer is on the way as the Evening Star Quilt Guild met May 16, 2016 for their monthly meeting. President Sherry McConnell welcomed the 41 members and 3 guests, thanked the volunteers at the sign in table, the Vanna Girls and the hostesses. Kaye Judt reported a balance of \$\$\$ in the treasury.

Stephanie Crabtree reported that there were about 14 people at the Glorified 9 Patch workshop in April. Sherry led the workshop and the projects looked so different and lovely, all with the same pattern. Isn't it great how our individual selections can make a quilt look so different? J The next workshop will be June 25 at the McElfresh estate (as long as Sharon is better). We will be doing cancer quilts for Community Hospital Cancer Center this year. There will be kits and other patterns to make.

Next month is the annual Pitch-In meeting. Please bring your Cuppa Cuppa Challenge, in any stage of progress and we will display them on the wall. We will bring them back to the July meeting where Quiltsmart will be our program.

Sherry presented the Blocks of the month-the pineapple block and the spool. We were given a spools pattern by RJR, designed by Christine Stainbrook. She and Sherry collaborated on the pineapple block pattern. Both are easy and so pretty.

Nan Hodge reminded us of the Redbud Annual Quilt show and had raffle tickets for the contribution quilt.

Thank you to Beverly Carr who led a Make and Take before the meeting. Members made fabric orchid pins. Show and Tell was once again wonderful with 15 members participating, including the Make and Take projects. Paige Coon won the drawing.

The program for the evening was "Sew What Cha Want to Know?" Members brought/asked questions about what ever they wanted to know about quilting, cutting, piecing, measuring, etc. Answers were shared by the members and Sherry. We are a knowledgeable group!! Thank you for all of the good questions and even better answers.

Respectfully submitted,  
Stephanie Crabtree, Secretary

## No Bake Rice Krispie Cheesecake

### FOR CRUST:

6 cups Rice Krispies cereal  
¼ cup salted butter  
1 pkg miniature marshmallows

### FOR FILLING:

1 (8 oz) pkg cream cheese, softened  
½ cup sugar  
1 tsp vanilla extract  
1 (7 oz) jar marshmallow creme/fluff  
1 (8 oz) pkg Cool Whip, thawed

### FOR GARNISH:

Whipped cream  
Cubed & prepared Rice Krispy Treat  
Squares

Liberal grease a 9" or 10" springform pan with cooking spray. Set aside.

In a large bowl, add in the Rice Krispies cereal. Set aside momentarily. In a medium saucepan, melt the salted butter and marshmallows together over low heat, stirring constantly, until melted and smooth. Pour the melted marshmallow mixture over the cereal and toss until totally combined. Pour the cereal into the prepared pan and, using a greased glass cup, press the cereal mixture into the pan, forming a base and sides. Put aside to set, about 20 minutes.

While crust sets, make your filling. In a large bowl of a stand mixer, cream together the cream cheese, sugar and vanilla until smooth, about 1 minute. Beat in the marshmallow creme until smooth. Lastly, fold in the Cool Whip by hand until combined.

Spread the filling mixture into the crust, smoothing out the top. Garnish with whipped cream piped along the perimeter of the cheesecake and top with stacked prepared & cubed Rice Krispy Treats in the center. Chill for at least 2 hours in the fridge before cutting into slices.
